

Expert System will participate at AIM Italia Company Presentations 2017

London Stock Exchange, October 9-10, 2017

Modena, October 5 2017

[Expert System](#) (EXSY.MI), the leader in cognitive technology for the effective management of unstructured information, today announced that it will participate in **AIM Italia Company Presentations 2017**, an initiative created by Borsa Italiana to bring together UK investors with a group of companies listed on the AIM Italia stock exchange.

The event will be held **October 9-10 at the London Stock Exchange** (10, Paternoster Square, London). **Stefano Spaggiari, CEO of Expert System**, will introduce the company, its business model, mid-year financial statements, and its strategic development projects.

More information about the attending companies and the agenda is available at:
